

# CompleteVendor™

Real-time tracking from warehouses to facilities and everywhere in between.

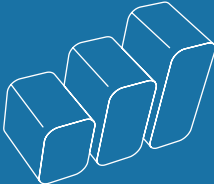

CompleteVendor™ provides your company with:

Real-time asset tracking

Patented bluetooth low energy (BLE) beacons combined with software

Increased operational efficiency

Transparency of assets between personnel

# CompleteVendor™ combines the most accurate Real-Time Location System (RTLS) with full visibility in one platform.

Provides real-time inventory and personnel location, status, reporting, and analytics for your company's most valuable assets.

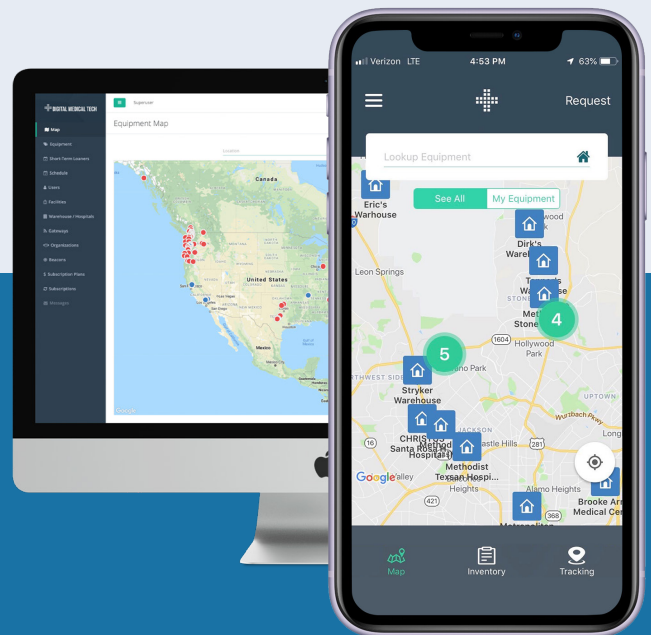

Digital Medical's Patented **Bluetooth Low Energy (BLE)** beacons paired with our proprietary mobile app make it the world's most practical asset tracking solution available today.

	DIGITAL MEDICAL	RFID
 Cost Effective	✓	✗
 Reduced human error	✓	✗
 Positional Accuracy	✓	✗
 Autoclave Friendly	✓	✗

## Track assets from anywhere with our mobile and web based platform from transport to delivery and back.

Push Notifications and zone alerts within ge-fenced zones allow for complete transparency and accountability.
